Sponsorship Prospectus

Hackathons are invention marathons. Programmers, designers, builders, and others come together to learn, build, and share their creations over a weekend.

LauzHack is a student-run hackathon whose **third edition** will take place at **EPFL**, the Swiss Federal Institute of Technology in Lausanne, on **November 24-25, 2018**.

During LauzHack, **over 200 students** will build their dreams in a weekend, with prizes awarded to the most impressive projects.

Your company can reach out to the most innovative students with your newest APIs and tools, enabling participants to build all kinds of projects. Host a **tech talk** to show off your exciting tech, **challenge** students to innovate around your ecosystem, and **recruit** your next superstar employees!
